

GIRL'S SCHOOL OF ROCK!

This exciting program, exclusive to WHM Waukesha, will provide girls ages 10-18 with the opportunity to experience the thrill of playing in a real rock band!

Young girls often lack the resources to connect with other young female musicians and form bands. They may hesitate to venture into the “boys club” of rock music. WHM’s Girl’s School of Rock is designed to give girls confidence, experience, and strong musical foundations!

Each band will compose its own original song to premiere at a final concert!

Guitarists, bassists, drummers and singers are welcome to join! Register early, enrollment and band sizes are limited! Registration deadline is Friday, Jan. 8th! Sorry, absolutely no late registrations will be accepted.

No gear? No problem! WHM will provide amps, instruments, and drum kits for rehearsals if necessary.

Winter Session Runs Sundays, Jan. 17th-Mar. 14th!!!

Girl's School of Rock Information

Prerequisites: Girls joining the School of Rock must be between the ages of 10-18. All participants must have some playing experience on their instruments. Guitarists and bassists must know basic chords, singers must be able to match pitch, and drummers must be able to keep time. Sorry, no beginners will be accepted.

All participants, new and returning, will need to attend a placement evaluation with the instructor before they can be placed in a band.

Students of Katrina Johansson will be evaluated in their lessons. Girls who are new to the GSOR or are not taking lessons with Katrina will be contacted by Katrina to schedule an evaluation time prior to the first session on Jan. 17th.

To provide the best experience for each band, only one singer will be admitted per band. Singers are placed on a first come, first served basis, so please register early.

Dates and Times: The Girl's School of Rock rehearses for nine weeks on Sunday afternoons, Jan. 17th-Mar. 14th. Rehearsals will take place between noon and 4pm.* You will be contacted after the registration deadline with notification of your specific band's rehearsal time.

**The bands will perform for friends and family at 2pm, Sunday, Mar. 14th.*

Cost: Tuition for the Girl's School of Rock is just \$225 for nine, one and a half hour sessions-a real value! Tuition is due at the time of registration and is non-refundable.

Materials: Girls are encouraged to bring their own instruments. WHM will provide equipment during rehearsals for any girl that may require it. Please note on the registration form what your student may require. Amps and drum kits will be provided for all School of Rock members during rehearsal.

Instructor: Internationally acclaimed recording artist Katrina Johansson is also an accomplished WHM instructor. Her first heavy instrumental EP in 2005 titled *Guitarsongs Volume I* was produced by guitar legend Michael Angelo Batio. Her melodic shredding style has gained her respect as a female icon in a typically male-dominated genre. More information available at www.katrinaguitar.com

Curriculum: Girls enrolled in the School of Rock will be divided into bands pending student enrollment. Age, musical experience, and musical interest will determine what band each girl will be placed in. Each band will learn chords, intonation, rhythm, style, and songwriting to compose and perform an original song at the final performance on March 14th.
